Oxford, Mississippi. Charlered by the State in 1854, and authorize to confer the Highest Educational Hon-

o:s on Young Ladies.

UNION FEMALE COLLEGE,

MERITS-AIM-CARR-Parents and Guard same of the word—to educate thoroughly the young ladies of the South, is its aim. The departments of Mathematics, Physical and Moral columnes, Literature, Ancient and Modern Languages, Music, Drawing, etc., are ably filled by accomplished tracters, male and female. Special cure—it may be said, uncommon care is taken not only to thoroughly educate in the Aris and Sciences, but to render the pupils contented and happy, to train their moral sentiments, to cultivate correct tastes, to preserve their health, and to throw around them proper restraints. In short, to afford to patrons one of the very best regulated Institutions in the land. the land.
APPARATUS.—Arrangements have been made to supply the College with suitable Apparatus sufficient to illustrate the Sciences, and to give a practical knowledge of them. In addition, the classes in Chemistry, Astronomy and Natural Philosophy, through the courtesy of the officers of the State University, will have access to its large and well appointed Chemical and Philosophical Apparatus, excelled by none expects to be able to hold court this building. Stimular to be worth \$40,000, is commodious, comfortable and retired.

The older of business for to day will be the nearing of the cases published in the near the near
